## Welcome to Byfleet Boat Club!

We're so pleased you're considering joining. Our members enjoy a lively mix of boating and social events every month, all set against the backdrop of a supportive, close-knit group of enthusiasts, with exclusive access to some unique facilities. Whether you're a seasoned boater or just dipping your toes in, you'll find a community where knowledge is shared freely, friendships blossom, and everyone is encouraged to get involved.

### **Run by volunteers, shaped by members**

We're proud to be a club run entirely by volunteers, for the benefit of all. We welcome fresh ideas and encourage everyone to play a part in shaping our future. One of the ways members contribute is by helping with our community rowing boat hire service during spring and summer. It works on rota, and we provide the basic training you need.

### **No boat? No problem!**

You don't need to own a boat to be part of the fun. The club has a selection of portable craft available for members to use—either free of charge or for a small fee—so you can get out on the water whenever the mood strikes.

### **Come say hello!**

You're warmly invited to visit us any weekend or join one of our events. A member will be delighted to show you around and introduce you to the facilities—and more importantly, the spirit—of the Byfleet Boat Club.

### **Explore at your own pace**

The rest of this Membership Pack gives you a fuller picture of what we offer. Feel free to browse through it at your leisure. If you have any questions, there are some contact numbers at the bottom of the schedule of fees and charges.

We hope this is the beginning of a wonderful journey with us. We'd love to welcome you aboard soon!
